The dictionary defines "foster" as:

*Encourage or promote the development of; raise; nurture; encourage*

"Rescue" is defined as: *saving from a dangerous or distressing situation*

It's my goal to help you to foster and rescue in the most effective way possible.

Progress is a wonderful thing. We have learned much about dog behavior in recent years. Sadly, many trainers, dog owners still adhere to ancient thinking.

Learn how to put modern, scientific, knowledge to GREAT use with your dog(s).

Topics to be covered:

- What Modern Science has taught us about dog training and behavior
- Myth Busting about Canine Behavior
- The High Risk of "Correction" Based Training Methods
- How to Solve Typical Problem Behaviours
